

MOBILITY AT THE INSTITUTE OF HUMAN GENETICS PAS WITHIN PROM PROGRAMME

The Institute of Human Genetics PAS is implementing a project within PROM PROGRAMME International scholarship exchange of doctoral students and academic staff.

Within the project we invite foreign PhD students to take part in a short form of education and visit our Institute. We offer:

- (max. 4) study visits (7 days), nearest mobility period: 27.03 - 2.04.2022 (programme of the study visit will be focused on hemato-oncology but not limited to, and is available on website: <https://www.nextlevel-h2020.eu/staff-exchange-week/>);
- (max. 2) one- month training stay (30 days) at IHG PAS in order to learn, collect data for diploma thesis and to do research in our labs (programme agreed individually).

The PROM programme covers cost of stay and travel to Poland. All participants will receive a scholarship (flat rate):

- Study visits – boarding 4840 PLN (~1100 EUR) + travel 1000 – 5000 PLN (~ max. 1000 EUR)
- One month training stay – boarding – 12000 PLN (~ 2600 EUR) + travel – 1000 – 5000 PLN (~ max. 1000 EUR),

The mobility has to be completed before 30th September 2022.

It is possible to mix different types of mobility eg. PROM + Erasmus placements (funded by sending institution). We will be happy to host you longer!

The recruitment is open now: <https://igcz.poznan.pl/en/prom-recruitment/>.

Applications are accepted on a continuous basis until the funds are exhausted.

Formal criteria:

- status of a doctoral student, confirmed by the home institution conducting the education;
- knowledge of the English (at least B1 level), confirmed by the home institution (Institution/department);
- age under 40 years of age

Substantive criteria:

- significance of participation in the mobility for the purposes of the dissertation/research (0-6 points);
- significance of the participation in the month-long stay/study visit for the applicant's academic and professional development (0-3 points).
